Dr. Flynn & Staff,

Thank you
so much.

We want to thank all of you for the wonderful care that you have given to Jerry. From the first day, when you fit him into your busy schedule, through the surgery, and all the questions we had during recovery, you have all been most helpful & caring.

We thank God for giving you all the talent & compassion to work with hurting people. May God continue to bless all of you as you continue to help others.

Sincerely,

Jarvis
