

Dr. Placer

They mean

more than you know.

^{Fri}
You said I could line dance
^{Fri}! I did 2 dances the
first I'd been to class!
Like old home day seeing
so many I I'd not seen for
10 yrs. It was great but
that was my exercise
for day. Didn't want to
over do. And I'm not in
pain! Thank you

Bernie

Dear Dr. Placer

...so much.

I am grateful to you for
your expert diagnosis + treatment.
I can walk upright again like
a bipedal human!!

Best wishes,

Janice
